There are services to help you claim all your business listings

There are services that can claim your business listings for you. There is not one in particular that we recommend, but here are a few examples. Be aware that you should likely select one that allows you to OWN your own business listing, so that if your contract with them ends, they don't remove the listing and reviews.

[Yext](https://www.yext.com/products/listings/)- Yext Listings- <https://www.yext.com/products/listings/>

[Bright Local](https://www.brightlocal.com/citation-builder/)- Citation Builder- <https://www.brightlocal.com/citation-builder/>

[Moz](https://moz.com/products/local)- Moz Local- <https://moz.com/products/local>
